

TRAILER MOUNTED RANGE

Large Mobile Incinerator
Suitable for: Agricultural Waste

Agricultural

Rear View

Components

All of the Addfield range (apart from the very large TB-AB-MAX and GM8000) can be trailer mounted, converting them into rapid response mobile incineration units.

The trailer consists of:

- Rear lights
- Standard 7 pin hook up
- A Pantle hook drawbar
- Independent braking system
- Attachment for Renault or Iveco trucks
- Fully road worthy
- EU law compliant
- Agricultural or commercial beds available
- ADR 1000 litre bunded leak proof fuel tank
- 6kva generator

It is recommended, and in many countries a legal requirement, to isolate the affected area and demolish of the carcasses on site.

Machine Specifications: Trailer Mounted

Gas Retention Time	2 seconds
Fuel Options	Diesel LPG Biofuel
After burn complies with EU legislation	YES
CE Certified	YES

Robust, Reliable...
...and Efficient
